

2024 Ministry in Review

Equipping Leaders to take the Gospel to the World

Here's our unique strategy and focus –

“Leadership Revolution partners with key ministries in strategic global areas to train and multiply leaders to significantly enhance taking the Gospel to critical areas of need and opportunity. We freely provide powerful tools, resources, and coaching to empower leaders and not burden them.”

In 2024, we have been inspired by this scripture verse from Psalm 66:5, “Come and see the works of God, Who is awesome in His deeds toward the sons of men.” (NASB)

Through the partnerships shown inside, we have held training and directly impacted over 10,000 pastors and business leaders who are exponentially taking the message of the One Leader, Jesus Christ, to their arenas of influence. Over and above this God-directed achievement, we have had an indirect connection with some 25,000 people through the devotional, online training, and leadership schools that ministries are using to equip them.

We partner with 10 world-changing organizations that span the globe, and their focus is concentrated in four distinct areas:

1. Global Church Planting and Pastor Training

*Harvesters Ministries
Cross Ministries
Our Father's Home Ministry
Southern Africa – Calson Nyathi*

2. Leadership Equipping

*Leadership International
MELTI and 4G3
Christ Community Ministries
Far East*

3. Business Entrepreneur Schools

Entrepreneur Development Box

4. Mass Evangelism, Discipleship Movement, and Church Growth

For His Glory

Global Church Planting

Harvesters Ministries

Harvesters Ministries has planted 120,000 churches in South Africa and seeks to plant over 1 million in the next decade. Their growth comes from direct evangelism and then discipleship. Leadership Revolution provides training and coaching to the continental leaders, country leaders, and stream leaders who are working in over 90 countries. They currently have over 32,000 pastors in training this year, and our work with Harvesters is focused on leadership development, coach training and serving on their International board.

Here is their global mission and vision - "Harvesters is a church planting organization focused on fulfilling the Great Commission of Jesus Christ through the training of **indigenous pastors** worldwide in the principles of evangelism, **disciple-making**, **church-planting**, and **pastoral training**. They work alongside indigenous pastors who have an evangelical heart, a high regard for Scripture, and a passion for the Great Commission. These traits coupled with the Biblical principles they employ in training ensures **new believers are won to Christ and new churches are planted**. **Discipleship is at the foundation of everything we do.**"

and Pastor Training

Cross Ministries

Leadership Revolution is empowering James Bandela with Cross Ministries to train and minister to pastors in east India. They will train over 1,500 leaders in the rural areas and unreached people groups of this region.

They equip mission churches in remote villages of Andhra Pradesh from Bhadrachalam to Anaparthi. God has opened the door for us to reach the unreached districts and remote villages in our state and in Andhra Orissa Border at Adhivasi tribal people.

Cross Ministries in Guntur hosts a monthly Pastors Conference, bringing together local pastors from across the region. With a commitment to supporting these spiritual leaders, the conference provides a platform for fellowship, learning, and mutual encouragement. James is a trained facilitator in the One Leader Training material.

Our Father's Home Ministry

Today through the Our Father's Home Ministries (OFHM), theological training is being imparted in many places, and many lay pastors and dedicated young men and women are getting training. They are fully engaged in evangelism, church planting, and many pasturing churches. OFHM is also taking care of helpless orphans and widows in rural and tribal areas. They are reaching India for Christ and bringing spiritual maturity to leaders and pastors. Our work with them is a monthly training with as many as 200 pastors on topics of leadership development to equip them to take the Gospel to the rural villages and unreached people groups.

Southern Africa – Calson Nyathi

Calson provides this year-end update directly from the field –

“ Our facilitators travelled to South Africa for this remarkable training. Graduation took place in Bulawayo after which great testimonies were heard of these men and women of God who underwent the Entrepreneurship Training and are now into various new businesses such as plumbing, farming, brickmoulding, tombstone construction, and floral design. ”

Here are the graduates:

“ Our Trainers held a class in Mozambique where 180 pastors and church leaders were in attendance. Pastors showed great interest and displayed their willingness to learn more. One of the pastors declared to say, *‘From now on, I will change my leadership style which I have believed for years that it was the best. Because of this training, scales have fallen off my eyes and now I can clearly see the way!’* ”

“ This class was held at Sofalla Province, Mozambique. 39 pastors and church leaders were in attendance. Great things are taking place in Mozambique, and we give God the glory. This training was held in Mozambique at a place called Sofalla. Great men and women of God were so excited to be part of the training confessing that it was eye opening. Participation in these classes were awesome the entire time. ”

“ Pastors and church leaders gathered for the training at Plumtree, a town which is about 100 km from the city of Bulawayo. The amazing stories continue with each training. After the training, the people are left in awe wondering where we have been hiding with all this knowledgeable material. ”

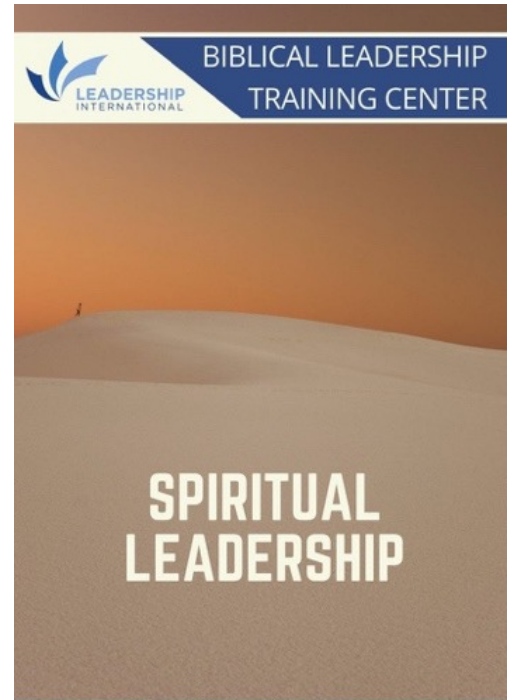

Training in Zambia

Leadership Equipping

Leadership International

This dynamic ministry equips Christ-like leaders for God's mission, and they are primarily do this through 300 Biblical Leadership Training Centers. These training centers are usually hosted by a local church and offer certificate training in biblical and leadership courses. By launching training centers in strategic locations, where leaders do not have access to training, we are able to strengthen the local church and energize leaders towards God's mission in their community and beyond. Leadership Revolution works with this organization to train regional trainers in Ghana and Zimbabwe. We also have multiple training courses on their website—specifically, Leading Well and Spiritual Leadership track utilizes four leadership courses with The One Leader Training being the core.

MELTI (Middle East Leadership Training Institute) and 4G3 – Cairo, Egypt

The model is to train and mentor leaders to address problems in their own homes and communities. The goal is for them to be able to then train others. By this multiplication, hope and transformation comes to the communities where these leaders live and work. Leadership Revolution has worked with this ministry over the last 15 years training leaders on spiritual formation, financial discipleship, and marketplace ministry. We continue to provide resources and training to their hundreds of leaders each year.

Christ Community Ministries – India

The model is to train and mentor leaders to address problems in their own homes and communities. The goal is for them to be able to train others. By this multiplication, hope and transformation comes to the communities where these leaders live and work. Leadership Revolution has worked with this ministry over the last 15 years training leaders on spiritual formation, financial discipleship, and marketplace ministry. We continue to provide resources and training to their hundreds of leaders each year.

Far East Ministry

(their name is withheld to protect their identity)

We have provided the One Leader Training to this group to train up to 3,000 leaders this year in the far east. Unfortunately, we can't give much information because it is in a closed country, but the work is going forward and we're seeing the Lord do great and mighty things.

Business Entrepreneur Schools

Entrepreneur Development Box (EDB)

Leadership Revolution has partnered with EDB to bring entrepreneur business development schools to parts of Africa, India, and Nepal. We have put in over five schools in the last two years with our most recent one in Adama, Ethiopia.

The goal is to train pastors and local businesspeople to help both support the church as well as give pastors a means of a second income. EDB is doing a fantastic job with their materials and resources. We have partnered with EDB over the last five years and look forward to even more connections in the future.

Mass Evangelism, Discipleship Movement, Church Growth

For His Glory Ministries (FHG)

FHG fosters transformation in cities and nations by following Jesus' example of using large gatherings, such as the Sermon on the Mount. They combine these events with leadership development and training believers on how to make disciples who make disciples, as Jesus did with His twelve apostles.

FHG puts on large evangelistic gatherings, which we call festivals, with the launch of disciple-making movements through the revolutionary leadership training and Training for Trainers (T4T) disciple-making model. We have partnered with FHG to provide the core of their leadership development training. They will train over 3,000 people in 2024.

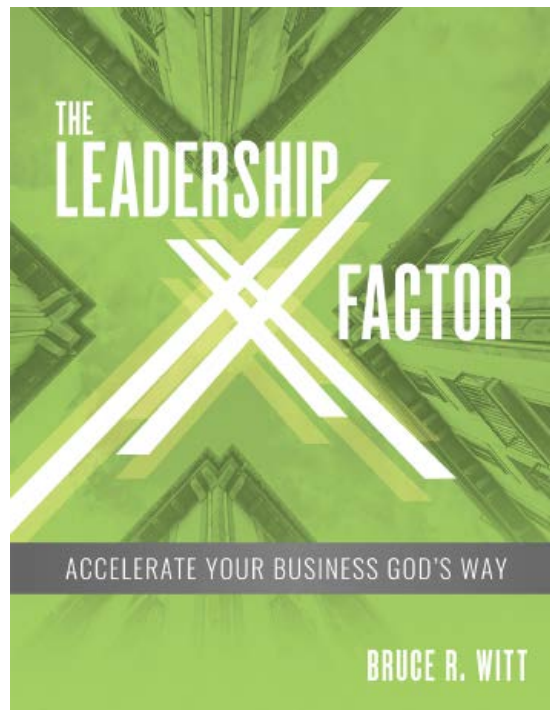

The Latest One Leader Resource

We have just released our newest workbook, *The Leadership X-Factor*, which is designed as a force multiplier in Leadership and Business—an integration of faith and practical to accelerate an eternal impact. This purpose sets it apart from all other best-selling business books and frameworks.

It's more than skills, tools, technology, consulting, or experience. The special quality in a given situation that could have the most significant impact on the outcome is Jesus Christ working in and through a leader to manifest His supernatural power and wisdom.

This is a comprehensive new resource that we'll use in training leaders both in the U.S. as well as global regions where we serve with our partner ministries.

If you're interested in using *The Leadership X-Factor* in your team or business, please contact us or visit our website at LeadershipRevolution.us.

Your Opportunity as a Partner

Our Leadership Development process is critical to world missions and discipleship, because it ensures that the spiritual foundation is Christ-centered and biblically based so that the work is carried out effectively, sustainably, and with the greatest possible impact. It empowers local leaders, fosters cultural sensitivity, and enables organizations to adapt to changing circumstances, all of which are vital for spiritual transformation.

We are seeking to raise the \$51,000 by December 31, 2024, which will help us fully engage and equip these leaders, but moreover have an overwhelming impact with the Gospel of Jesus Christ to transform people and nations.

Thank you for your faithful partnership, and we are grateful for the honor of multiplying the Kingdom together.
